

Both sides

Design Day Plan - A. J.'s Playground  
Kindergarten Playground

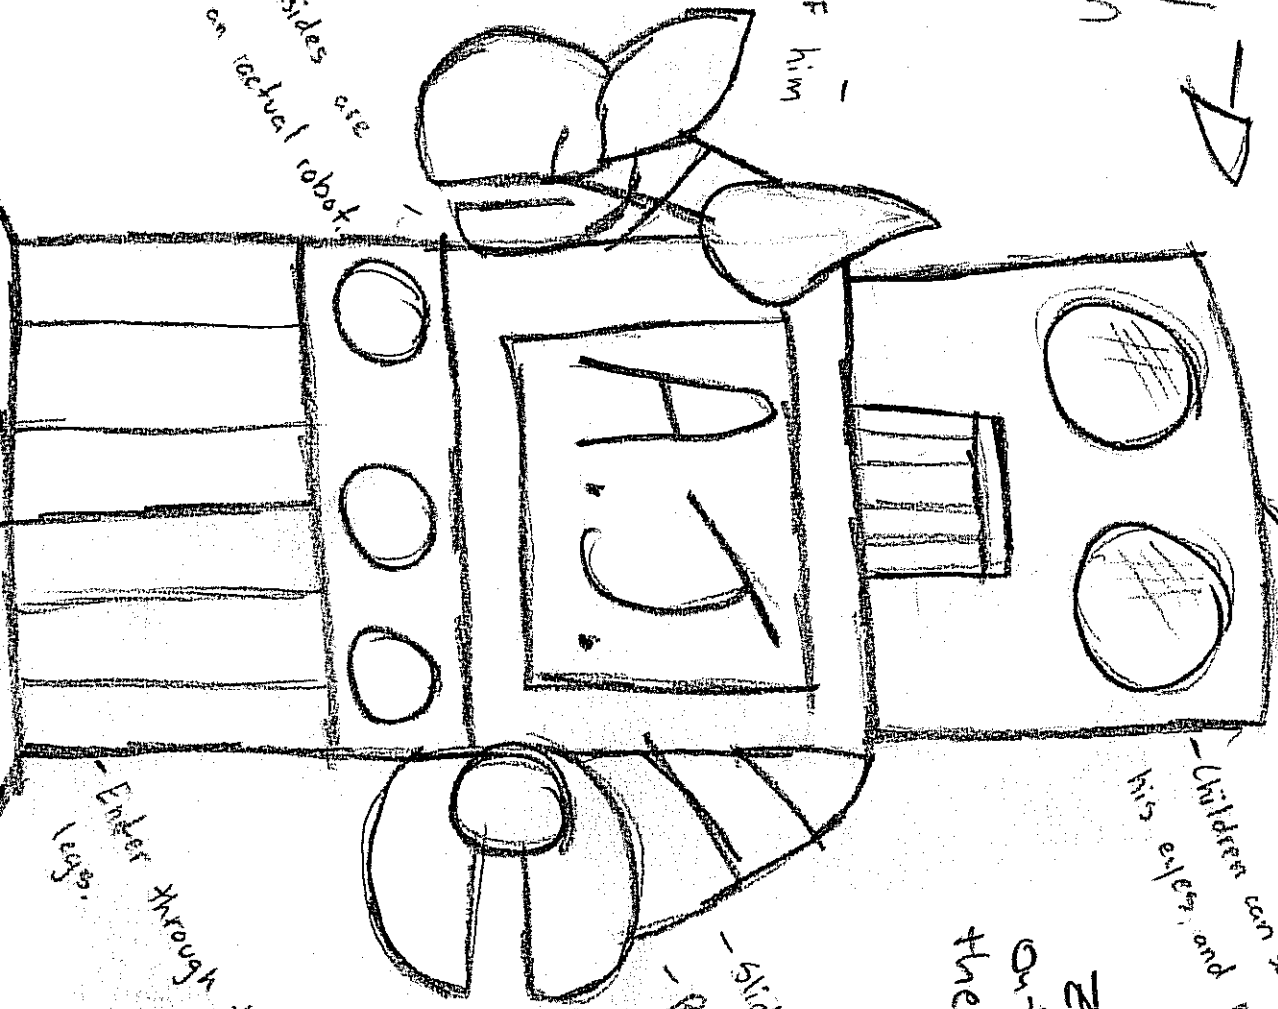

Kristofer Scott

you can walk  
inside the  
robot, and play  
inside of him

Interactive  
things inside of him

Insides are  
like an actual robot.

- Children can see out of  
his eyes, and mouth.

Zoo  
outside  
the robot

- Slide in the back  
- Rock well on his back

- Enter through the back of his  
legs.
